EMA Marketing is thrilled to announce that more strikingly beautiful sunny destinations have been added to its roster.

Artemia Group of Companies has appointed EMA Marketing to be its Canadian Sales and Marketing Office. Artemia is the largest and longest-standing destination management company on the island of St. Maarten/St. Martin. It's a full-service management company providing all aspects of an outstanding program or VIP experience. Artemia prides itself on strong partnerships with its suppliers and partners in St. Maarten/St. Martin, Anguilla and St. Barths.

100 years of combined experience, Artemia will provide the utmost in luxury travel, anticipating every client's need. The list of experiences and offerings to visitors is endless on the islands of St. Maarten/St. Martin, Anguilla and St. Barths, from stunning accommodation boasting the highest standards of hospitality to effortless transportation and gourmet dining.

St. Maarten/St. Martin is one of the highest-ranking world destinations, known for having two distinct identities within one island, thanks to its French side and its Dutch side. This provides guests the opportunity to experience two cultures, both equally friendly and memorable.

The white, sandy beaches are unparalleled and plentiful. Visitors can explore a variety of beaches and quickly find a favourite, allowing them to bask in the sun and leave all those pesky worries behind. A dream afternoon spent soaking up the rays at a deserted island can easily be arranged.

Visitors have a variety of accommodations from which to choose including hotels, all-inclusive resorts, condos and private villas. Just imagine gazing at the turquoise waters of the Caribbean Sea from the comfort of your room. Each meal is an adventure in St. Maarten/St. Martin, the culinary capital of the Caribbean, with many restaurants, bistros and beachside eateries from which to choose.

Visitors looking for adventure won't be disappointed, with plentiful attractions and activities available — from flying down the steepest zipline in the world to a more leisurely exploration of historic forts or a visit to a bird sanctuary. Taking to the many hiking trails is one way to explore the island's hidden gems, or visitors can experience the thrilling world of sailing.

The island boasts an exciting, cosmopolitan night life. Of course, shopping is always a travel highlight, and St. Maarten/St. Martin has much to offer, from chic shopping centres to charming local shops. Suggested – from the famous Front Street in Philipsburg

offering an eclectic range of shopping ideas and Marigot offering “La Mode” French shopping.

Special occasions and weddings celebrated on the island are sure to be memorable, with Artemia able to arrange the finest of details.

Day trips to the neighbouring islands of Anguilla and St. Barths are a must. The Greg Norman 18-hole championship golf course is a popular choice, or perhaps a catamaran trip to Prickly Pear deserted island. The America’s Cup sailing challenge is another favourite.

There have been many new developments in St. Maarten/St. Martin, with new resorts and exciting new, fabulous restaurants. Artemia Group of Companies’ Founder and CEO says, “The island has never looked better.”

Artemia is waiting to showcase and work with you to provide lasting and unforgettable memories!

Artemia and JW Marriott Guanacaste Resort and Spa are perfect additions to EMA Marketing’s portfolio of luxury hotels, resorts and destination management companies.
